**SCHOOL REVIEW**

Our school is currently involved in reviewing our performance over the 2012-2015 period. We have completed a Self-Evaluation Report which highlighted a number of positive achievements over the past four years and will provide discussion about goals and targets for the next four years. The review date is Monday, 31st August and we will be joined by our reviewer, Robyn Blackie from Ed Solutions, who will be onsite for the day. We will also be joined by two Principals from other schools; Julie Luiten from Black Rock Primary and Chris Chant from Gardenvale Primary. Andrew Hornibrook, our School Council President, will also be involved along with the following staff members: Stan Szuty, Paul Clohesy, Sam Marston, Kate Shannon, Poppy Morris, Natalie Groat and Leanne Walker.

**YEARS 3 & 5 NAPLAN RESULTS - 2015**

Reports for parents of student achievements in NAPLAN (National Assessment Program – Literacy and Numeracy) for Years 3 and 5 will be sent home with students tomorrow. The results arrived two weeks earlier this year and the school is very pleased with the overall achievements of our students. In next week’s newsletter I will provide some detail of the overall results for our school and some notable results of our high achievers.

**SCHOOL TRIVIA NIGHT**

Last Saturday night a very successful Trivia Night was held in the school’s Hall. It was great to see a large number of parents in attendance as well as a few staff members. Thanks to Julie Shaw and her amazing team of helpers who did a fantastic job organising the event, setting up and packing up the Hall. Approximately $3,500 was raised on the night which will be put towards the replacement of the shade sails in the adventure playgrounds.

**TREE PLANTING DAY**

On Tuesday 18th August our Year 2 students and 1/2Z were involved in helping to plant approximately 750 indigenous plants and grasses around the school. The students did a fantastic job! Thanks to Mrs Ashburn and the staff involved and to Peter Nash, our gardener, and his staff for making this possible.

They are required to sign a ‘Visitors Register’ and will be assigned a ‘Visitor’ or ‘Helper’ badge which they must wear at all times within the school. At the end of their visit, visitors and helpers will be required to report to the administration office to return their badge and to ‘sign out’.

MAKING OUR MARK DONATIONS

Each year our Year 5 & 6 Students work in teams to budget for, create, market and sell a product at our school market in Term 4. All profits generated from the ‘Makin Our Mark’ program will be put towards a Grade 5/6 legacy project, as a reminder of the students’ great contribution during their time at Patterson Lakes Primary School.

This year Amber Ryan (5A) will be working with a group of students on a project that requires jars, so with this in mind we are asking for donations of jars of any size.

Donations can be brought to the office or taken directly to Amber Ryan in Room 8.

Thank you in advance.

OFFICE NEWS

DONATION - SAND PIT TOYS

We are looking for donations of Sandpit toys for our Prep and Year 1 playground area, Tonka trucks, spade and bucket, etc. We will have a locked box near the sandpit that will be unlocked each play time. Our sandpit is certainly a very popular area for our Preps and Year 1 students to play in.

It would be greatly appreciated if all donations could be placed in the designated box in the foyer outside the Prep rooms.

Thank you

A timely reminder to all parents and carers that we have numerous students at this school with life threatening allergies to certain foods. Letters are sent home informing parents of students who have a child in their class suffering with a life threatening allergy, outlining what the allergies are.

One of the main concerns in our school is allergies to nuts and this year we have many students with life threatening allergies to various nuts, especially hazelnuts and peanuts.

Given that one of the main ingredients in Nutella is hazelnuts and in Peanut Butter is peanuts, I ask parents/carers to be very mindful of this when packing your children’s lunch and to avoid sending peanut based foods to school. We also ask that you educate your child(ren) with regard to not swapping food with other children at school, encouraging safe habits.

Regards,
Rachael Grady - First Aid Officer

Nothing wrong with kids being busy as long as they have plenty of chances to relax and unwind.

Modern kids are busy kids. Regardless of age, their days are filled with activities. Under lives do a range of adult-initiated learning activities designed to give them the best start to their learning lives. School-aged kids have a huge range of leisure and after-school activities to choose from. It is not uncommon for kids to have four and five extra-curricular activities a week.

Nothing wrong with kids being busy as long as they have plenty of chances to relax and unwind. Relaxation is a key to good mental health and well-being. It is an important life skill for kids to learn.

Balance busyness with boredom

One way to ensure busy kids unwind is to make sure kids get bored every so often.

There is a temptation to fill kids’ days with activities so that no time is wasted.

“I’m bored!” is the last thing most parents want to hear their kids say. Many parents feel compelled to do something to alleviate a child’s boredom.

There is nothing wrong with a little boredom now and then. Boredom can be good for kids’ mental health and well-being, giving them the chance to muck around and take it easy for a time.

Here are 5 ideas to help you unwind your kids:

1. Let your kids regularly stare into the fire.
Ever sat around a camp-fire and stared at the flames? If so, you will know how calming it is. No exertion! No need to think! No need to talk to anyone! Just a chance to chill-out and relax. The TV is the modern version of the camp-fire. Yep, TV used in this way is good for kids’ mental health.

2. Let kids exercise without rules.
Kids are the kings and queens of play. Always have been. Until lately that is, when their lives have become highly organised and scheduled. Free, child-initiated play is the ultimate in relaxation. Fun games, games with few rules and games that kids control help them to unwind.

3. Let kids experience flow.
Flow is a state we get into when we are so engrossed in an activity that time disappears. It is the ultimate unwind. We get flow when we pursue our passions so encourage teens to find activities that they truly love and get lost in. Free play generally takes young children to flow very quickly so opportunities for unstructured play are essential.

4. Help kids calm down around bedtime.
Have a bedtime routine that calms kids down rather than winds them up. You can become part of this routine by reading books, telling nursery rhymes, providing soothing back rubs and other ways.

5. Unwind with your kids.
When I was young the best times I had with my dad were spent in the backyard playing cricket. Sounds like a cliché I know. It was fun because it was never a chore for him. He loved it as it was a chance for him to unwind after work. Find ways you can unwind and rejuvenate with your kids.

We want our kids to be busy and involved rather than inactive and apathetic. However, activity needs to be balanced with unscheduled time so that perspective as well as everyone’s sanity is maintained.
