

Edunet Computer Services

26 Milgate Drive
Mornington, VIC, 3931

Dear Parent/Guardian,

Edunet are excited to be the preferred partner for the BYOD Portal at Patterson Lakes Primary School. Please find enclosed all information regarding the purchase of your son or daughter's device.

Edunet is based in Mornington and is committed to providing good quality student notebooks at affordable prices. We support our hardware at every stage of the process and pride ourselves on high quality service.

The online ordering portal is accessible via <http://pattersonlakesps.technologyportal.com.au>. The Access Code you will need to access the portal is **PLPS2019**

If you would require assistance in person, please call our office to make an appointment time to visit our office.

Please be advised that to receive your order prior to Christmas, your order must be placed and paid for by October 26th. To receive your order for the first day of Term 1, 2019, your order must be placed and paid for by December 7th. Order delivery dates are subject to change if there is a constraint on parts with the manufacturer.

If you have any questions about the device or the ordering process, please contact us on 9708 8700 or email portal@edunet.com.au.

Kindest Regards,

A handwritten signature in blue ink, appearing to read "Matthew Gordon".

Matthew Gordon

 - ✓ Other places of residence of accommodation; or
 - ✓ A medical appointment of any kind
 - ✗ Loss of damage occurring while the laptop is being transported in any aircraft or watercraft unless the laptop is carried as personal baggage
 - ✗ Loss of or damage to software of any sort

Upfront Payment

Edunet provides two options for upfront payment through the portal. Firstly, parents can choose to pay by VISA or Mastercard, all credit card payments incur a 1.5% surcharge. The second option is to direct deposit the full amount into our bank account. There is no charge for doing this. Parents can make the transfer via their online banking or go directly to a Bendigo Bank branch and deposit there.

Payment Plan

Edunet has reviewed a number of different parent finance options to supplement our tailored BYOD solution. We found zipMoney to be the most ethical and best value for money option. zipMoney have worked with us to present an easy to use and completely integrated finance experience. Most importantly, the inclusion of a finance provider really reduces the pressure on families and increases the take-up of BYOD Programs, making the overall result more successful for the program and school.

zipMoney enables parents to purchase a device in the BYOD Program by paying without interest for the first 12 months. Parents are asked to pay \$99 to set up the payment plan and will then be charged a \$6.00 monthly account fee only while there as a balance remaining on their account.

After the 12-month period has expired zipMoney will change standard credit card interest ONLY on what is left on the parents account, zipMoney will not force the parent to pay interest on the total purchase value.

One of the main benefits of our finance option is that the parents own the device from the moment they take possession of it. Parents will also not be charged extra for paying the loan off before the 12-month period.
