## **Complaints and concerns process for students**

Patterson Lakes Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Patterson Lakes Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with your classroom teacher, your Year Level Learning Leader, Wellbeing staff, the Koorie Education Support Coordinator, Specialist teachers, Designated Teachers (students in Out of Home Care), InSPIRE mentor teachers, Education Support staff, the Principal and the Assistant Principal. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/teacher complaints and concerns process in outlines further below.

Other ways you can raise a concern or complaint with us include:

- talking to a member of the Junior School Council about your concern and any suggestions you have for resolving it
- participating in our Attitudes to School Survey (Years 4-6)
- participating in student forums
- writing a note

Further information and resources to support students to raise issues or concerns are available at:

## **Complaints and concerns process for parents, carers and community members**

### ***Preparation for raising a concern or complaint***

Patterson Lakes Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Patterson Lakes Primary School (see 'Further Information and Resources' section below).

### ***Support person***

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details and their relationship to you.

### ***Raising a concern***

Patterson Lakes Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns, in the first instance, should always be directed to your child's classroom teacher. If they are unable to assist the next person is the year level learning leader. The Principal, Assistant Principal or nominee will ask if you have directed your concern to your child's classroom teacher. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

### ***Making a complaint***

Where concerns cannot be resolved this way, parents or community members may wish to make a formal complaint to the Principal or nominee noting that formal complaints should be directed to a member of the school's leadership team.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Principal or nominee, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- 3. Response:** Where possible, a resolution meeting will be arranged with the Principal or nominee to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal or nominee may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
- 4. Timelines:** Patterson Lakes Primary School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Patterson Lakes Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Patterson Lakes Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

### ***Resolution***

Where appropriate, Patterson Lakes Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Patterson Lakes Primary School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

### ***Escalation***

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the South East Regional Office by contacting [serv@education.vic.gov.au](mailto:serv@education.vic.gov.au)

Patterson Lakes Primary School may also refer a complaint to South East Regional Office if we believe that we have done all we can to address the complaint.
