

1:1 program ... Patterson Lakes Primary School

2021

Background...

Vision

To provide a safe and challenging learning environment, empowering students to strive for personal excellence and become lifelong learners.

Purpose...

- ▶ 1:1 programs provide students with personal portable computers to enhance opportunities for learning.
- ▶ The devices help schools engage the digital generation by nurturing individual (or 1:1) learning experiences.
- ▶ 24 hour access, not just a 50 minute lesson once a week.

1:1 Program History and present

- ▶ 1:1 Rollout from 2015 onwards
- ▶ Used in the subjects of Maths, English (reading, writing, spelling), Science, LOTE, ICT, Humanities (History), Wellbeing and STEAM.
- ▶ Years 3-6 have a device.
- ▶ Teachers receive professional development and work collaboratively to maximize student engagement.

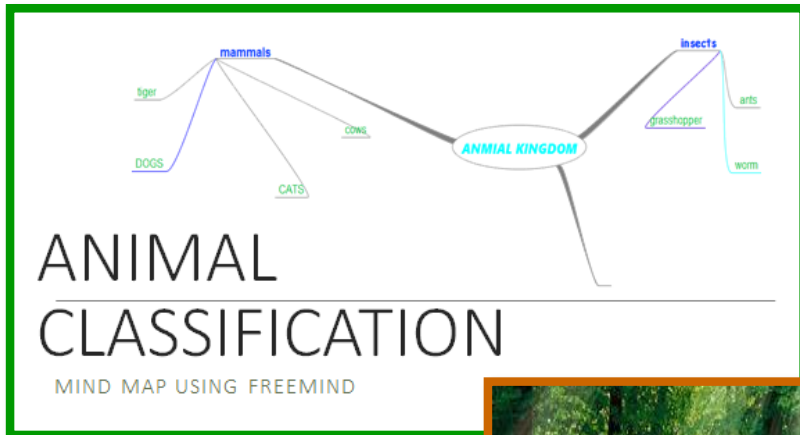

Benefits of 1:1...

- individualizes student learning
- increases independence
- extends their learning beyond the classroom
- develops greater pride and ownership over the knowledge they create
- extends formal learning communities to include parents
- initiates global communication and collaboration
- develops creative expression, skills, knowledge, curiosity and processes
- provides on time at point of need
